

Milkhaunt!

Milkhaunt!

EP.1-9

Milkhaunt! #1

I had to find a new house because the old place wasn't big enough to stock goods for my business.

But luckily, I found a dirt-cheap one, even though people around here say it's haunted.

All done, sir.

I'm not afraid though!!

I've never been scared of ghosts since I was a kid.

If any spirit dares to mess with me, it can take my life, because once I'm in the same state as a ghost, I'll make sure to get my revenge.

ゴゴゴゴッ..

Better start unpacking.

I ain't afraid of you, damn ghost.

clack

Crack..

STARE
...

meh
...

So you're
the resident
spirit of
this house,
right?

.....
Y-Yeah...

that's
right.

Stiff...

I'm the one
paying rent
here, so
that makes
you just
a tenant,
got it?

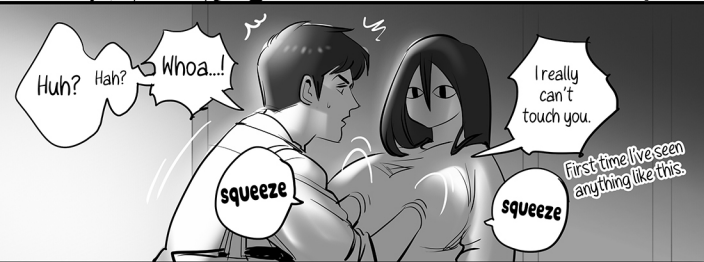

O-Okay

.....
Huh?

Still,
I'm curious.

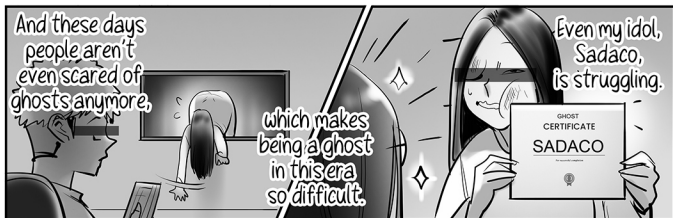

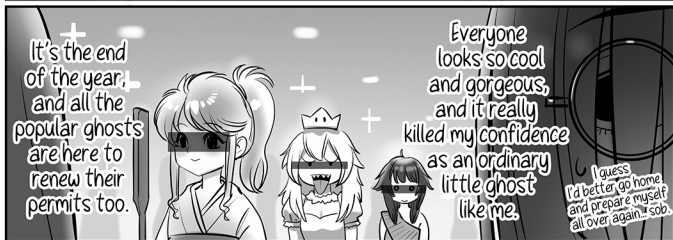

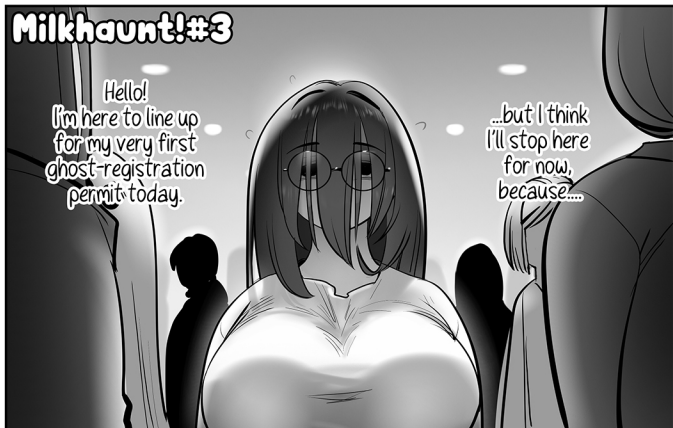

Just to
be sure,
let me test
something.

STARE
!

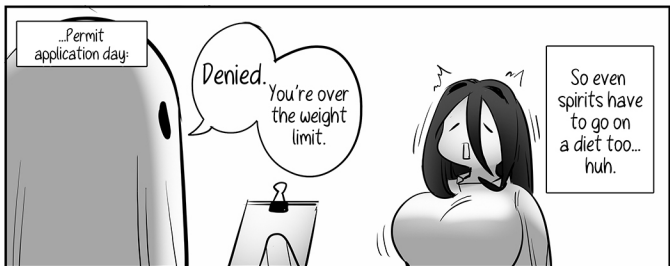

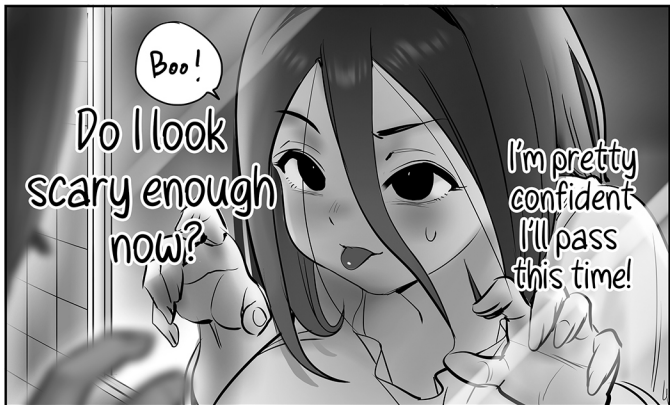

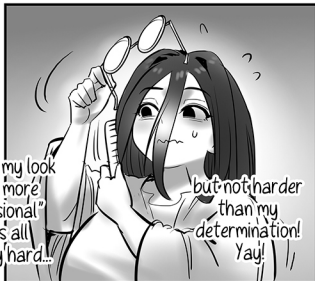

one day at Ghost District Office

Milkhaunt!#3

change up my look to seem more "professional" which is all extremely hard...

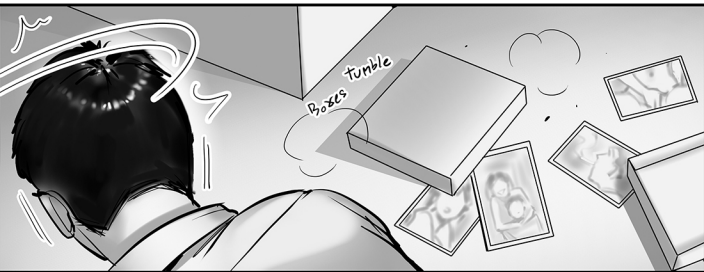

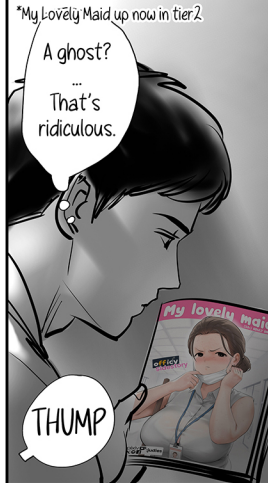

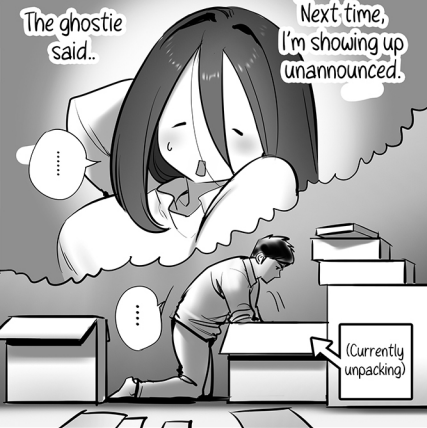

Eh? Earlier I saw something
white and fluffy crawling out
of the TV... Was that...
a curse or something

Don't tell me...
you actually
punched it
already?

Milkhaunt! #4

How her feel

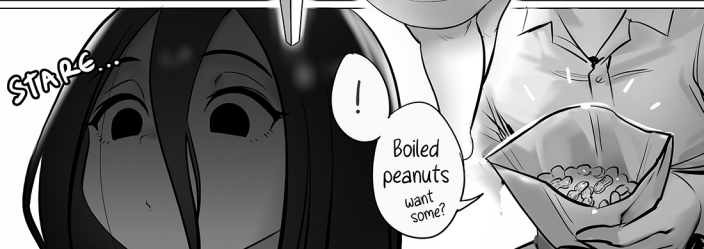

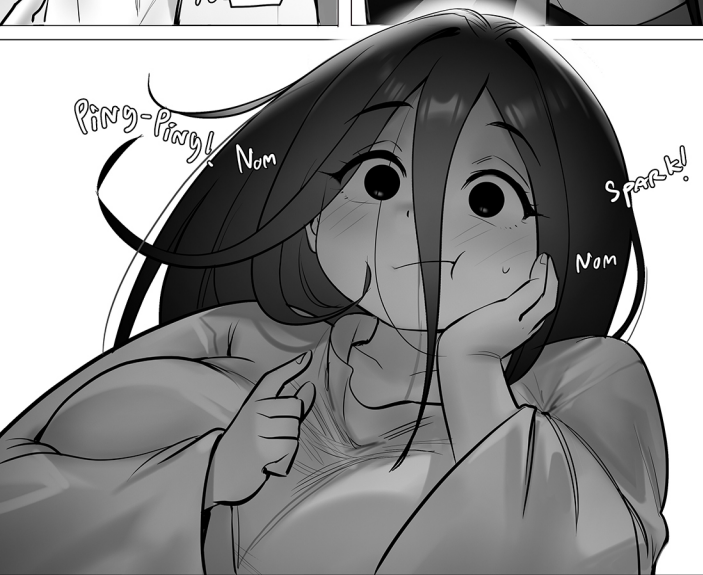

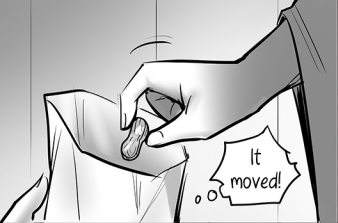

How her appear

Like a
chubby ghost
that can't
get up

Milkhaunt! #5

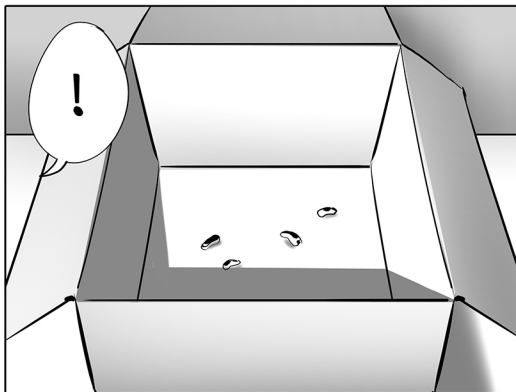

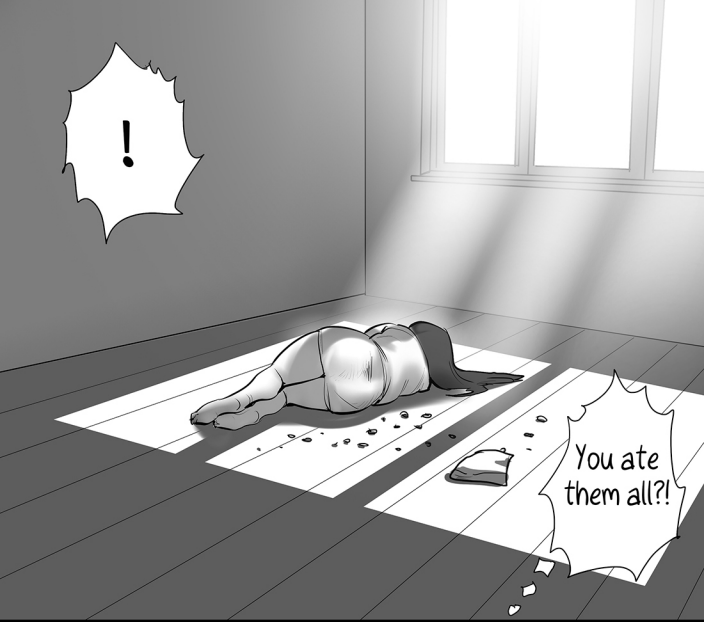

Guess..
it's a ghost
that doesn't
even try to
scare people.

Milkhaunt! #6

First night
after
moving in.

I need to
get ready
to shoot
the product
photos.

Shhhhh

Shhhh

And I should
start thinking
about the next
product idea
too.

Milkhaunt!#7

Phew...

!

There's one
more thing
I just
realized.

You're in
the closet,
right?

Nope.

She can
go through
walls.

In that instant,
I had an epiphany.

I'm not
inside
the closet

Even if I can't
touch her,
there's still
something
I can do.

?

Just stay
in there for
a moment
.....

?

PAP
PAP
PAP
PAP

??
Huh?

??
Eh? Eh?

???

Milkhaunt!#8

Suddenly...
I felt a
heavy presence
from the
second floor.

She stood there,
completely still...
and I wasn't sure
what it meant.

For some
reason...
I can't
look away.

Milkhaunt! #9

ゴゴゴ

ゴゴゴ...

.....B

ゴゴゴ...ゴゴゴ...

Tonight...

eh?

I'll try
to believe
it's real.

That same night.
